

## **RV PARKING INFORMATION**

\*RV parking this year is first come first serve, beginning at 10am on Monday September 18th. We have a large number of 50 amp, 30 amp, and 20 amp service spaces. You will be directed to an available spot by our RV coordinators.

\*Pre-registration will only be taken for handicap spots.

\*Contact Annie Piper at Annie.johnP@gmail.com for handicap reservations.

\*Some sites will require at least 100ft of cord, so please be prepared.

\*RV's parked on the midway asphalt, near the rings, will not be allowed to leave each day until after Best in Show is completed, due to the proximity to the rings. Please plan accordingly. This will need to be enforced for AKC show sight regulations.

\*Dumpsite is available on the parking lot side of the horse barn. Potable water is also available.

\*Up to date sump pumping during the week and other information will be provided to each RV spot upon check-in, as well as at the Club desk during the shows.

\*Quiet hours are from 10pm to 6am. Please be considerate to your neighbors.

\*All dogs must be leashed or in secure ex-pens at all times. You are responsible for keeping control of your dogs.
